## ROMER'S STORY

We're all about keeping it fresh, local, and fun. Romer's was started in 2010 out of a passion for simple, great food. And it shows, we are 5 time winners of Vancouver's best burger! (Golden plates awards)  
We use fresh ingredients from people we know and trust. Our beef is from Semlin ranch, a single family farm in B.C. Certified natural by the global animal partnership  
And yes, we do make our food from scratch, all the way down to the mayo.  
That's the way chef Romer wants it and that's the way we do it. No short cuts.
