## ROMER'S STORY

We're all about keeping it fresh, local, and fun. Romer's was started in 2010 out of a passion for simple, great food. And it shows, we are **5 time winners of Vancouver's Best Burger!** (Golden Plates Awards)

We use fresh ingredients from people we **know & trust**. Like our beef, which we get from Semlin Valley Ranch, a single-family farm in B.C. Certified natural by the Global Animal Partnership

And yes, we do make our food **from scratch**, all the way down to the mayo. That's the way chef Romer wants it and that's the way we do it. **No shortcuts.**
